## MIPS Assembly

For this exercise do the following:

- Read from chapter 5 to Chapter 5.7 of the *Introduction To MIPS Assembly Language Programming* book
- Do the following:
    - Question number 1 and 2 in chapter 4.6 **on page 88**
- Implement the following programs from the *Introduction To MIPS Assembly Language Programming* book, using the Mars MIPS simulator:
    - In chapter 5.1, on **page 92**
    - In chapter 5.2 on **page 93**
    - In chapter 5.5 on **page 100**
    - In chapter 5.6. on **page 101**
    - In chapter 5.7. on **page 103**
